

# Press Kit

## **Canada's Experts in All Things Fertility**

Founded by world-renowned fertility specialist Dr. Thomas Hannam, Hannam Fertility is home to Canada's leading form of IVF treatment, its largest natural conception program, and the best fertility doctors in the country.

# Working on a story about fertility? We've got Canada's most expert staff.

In addition to being experienced practitioners, our physicians are also industry-leading experts in their respect fields. From the latest research and most cutting-edge science to government regulation and the unique fertility challenges facing the LGBTQ+ community, our team can speak to any issue involving fertility.

## **Dr. Tom Hannam**

MD FRCS C REI

A frequent guest speaker on TV and radio, Dr. Hannam is one of Canada's most respected fertility experts. He founded Hannam Fertility in 2006 and has sat on the boards of fertility and obstetrics societies across the globe.

## **Dr. Carrie Schram**

MD CCFP

The Medical Director of Hannam's Natural Conception Program, Dr. Schram has fellowship training in Women's Health and a Masters of Public Health from the University of Toronto, where she is an assistant professor.

## **Alexander Lagunov, Lab Director**

BSC(H), MSC, LABORATORY DIRECTOR

Alex has been the Laboratory Director of CCRM Toronto/Hannam Fertility since clinic conception in 2014. Alex is actively involved in cutting-edge clinical research with various University-based investigators in North America.

### **Dr. Kim Garbedian**

MD FRCSC REI

Dr. Garbedian manages complex problems related to infertility, recurrent pregnancy loss, and fertility preservation. She has clinical and research expertise in Assisted Reproductive Technologies (ART), such as In-Vitro Fertilization (IVF).

### **Dr. Carol Redmond**

MD FRCSC

Specializing in reproductive biology, Dr. Redmond is a member and contributor to the Canadian Fertility and Andrology Society (CFAS), the Society of Obstetricians and Gynaecologists of Canada (SOGC), as well as reproductive medicine organizations in the US and Europe.

### **Dr. Paul Robb**

MD, FACOG, FRCSC, DABOG, REI

Previously voted by his peers as one of the Best Doctors in America for three consecutive years, Dr. Robb is board certified in both the US and Canada in Obstetrics, Gynecology, Reproductive Endocrinology (REI) and infertility.
